TransformerHub H10 - USB-A

Charge & Sync! For up to 10 devices

Article number / SKU: THH10

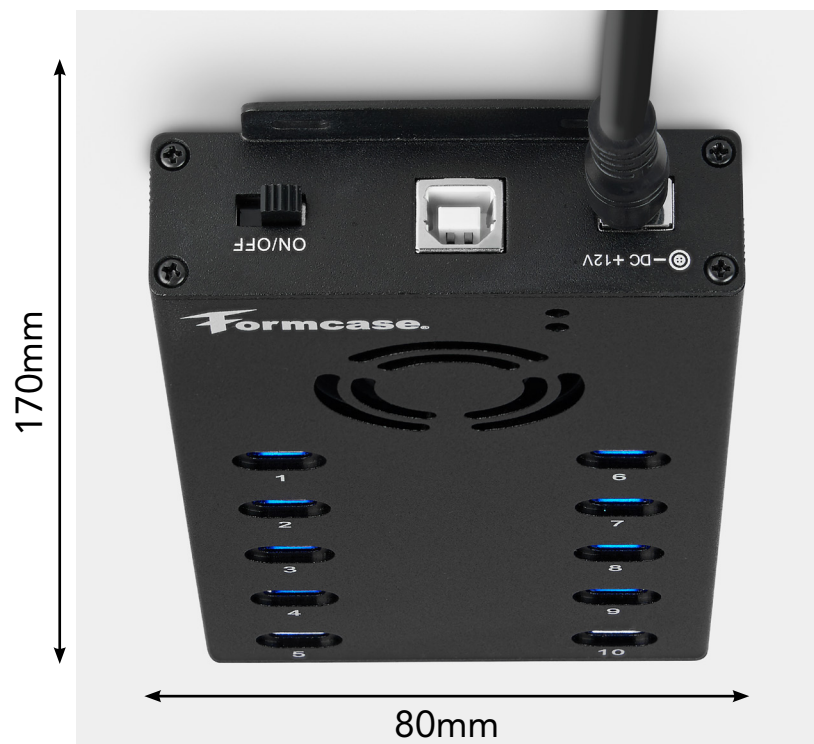

High-quality premium product. Innovative and well thought-out design.

Perfect for use in the educational or industrial sector.

Also well suited for the healthcare sector.

Intelligent charging hub with automatic charging cut-off (no timer necessary)

-> works as overheating and overcharging protection

What does „Charge & Sync“ mean?

Connect the master USB Sync-Port on our product to a MacOS-based operating system and open the Apple Configurator on this computer.

All Apple iPads connected to our product are now displayed there. Now you can manage & configure the displayed iPads simultaneously.

Technical specifications

TransformerHub H10 - USB-A
